Dear Mr. Johnson:

Your letter of December 1st has been received, and I want to thank you for giving me the benefit of your observations and comments.

Pursuant to the instructions of President Johnson, the FBI has conducted a full investigation into the assassination of President Kennedy and the murder of Lee Harvey Oswald. I can assure you every ramification of this matter was carefully considered.

Our report has been forwarded to the Attorney General and the Presidential Commision. It has not been made public inasmuch as this Commission has been charged with the responsibility to study all available information and make a finding in these matters.

Sincerely yours,

J. Edgar Hoover

NOTE: Bufiles contain no derogatory information concerning either correspondent or his father. We have not had correspondence with either of these individuals. His letter is an analysis of the possibility that Oswald could fire three shots in approximately five seconds. His conclusion is that Oswald did not fire the three shots, but that similar guns were used and more than one person was involved.
